

Timberline District Advancement Committee

The Timberline District Advancement Committee has the primary responsibility to assist in the advancement of Scouts and to assist units to achieve this goal. Each committee member knows that their responsibility is to assist any unit leaders to make their advancement goals. Each member can assist any unit requiring assistance for Eagle Advancement. To schedule a Project Review on an Eagle Board of Review you can contact the **Timberline District Eagle Coordinator** Mr. Al Paul at (h) 303-933-2791 or (m) 720-253-5976 or al.alpaul@gmail.com. It is not possible to be available at all times so if Mr. Paul doesn't answer please leave a message (**speak slowly**, leave your number and give him what your requirements involve).
